

HOMWORK TIMETABLE

All homework will be set using www.showmyhomework.com

Parents can check homework set by using your personal login (contact school if you have not received one) or by searching for Parrenthorn High School. If you download the app, you can opt to receive push notifications.

These are the guidelines that teachers will follow when setting homework:

Year Group	Recommended time	2x homework per week	1x homework per week	1x homework per fortnight	2x homework per fortnight	2-3x per term
7	up to 30 minutes per subject	English maths science	French Spanish DT ICT	geography history		art drama music RE
8	between 30-45 minutes per subject		geography history DT ICT		French Spanish	
9	between 30-45 minutes per subject		French Spanish			
10 & 11	between 30-60 minutes per subject		all option subjects	RE		

Sometimes homework is set over a 2 or 3-week period. Within school, everybody works to deadlines and pupils need to learn the importance of time management. The timetable shows the average amount of homework that will be set. However, homework may, on occasions, be set differently due to exams or other events taking place in school.

Thank you in advance for your support in helping to ensure that your child makes the maximum amount of progress possible.
