### Bury College Virtual Open Event

Experience Bury College and join us for our virtual open event. This is live on our website: <https://burycollege.ac.uk/virtual-open-event/>

Explore the virtual open event and discover why Bury College is a great place to learn

- View our state-of-the-art facilities
- Discover our wide range of A-levels, T Levels, vocational courses and apprenticeship programmes
- Virtually meet our tutors and students
- Ask a question and find out all there is to know about college life

### Be Bury College Ready

To prepare students for the transition from school to college, a range of resources have been developed and are live on the Be Bury College Ready portal. These online resources include course specific information which has been carefully put together by our experienced tutors. The Be Bury College Ready website portal can be accessed [here](#).
